PROFILE

I am an IT graduate with practical experience in full stack application development, with a stronger focus on backend engineering. Skilled in building scalable APIs, managing databases, and integrating authentication and third party services. Passionate about writing clean, maintainable code and developing reliable server side systems.

TECHNICAL SKILLS

Core Web Technologies

- JavaScript/ TypeScript
- SQL

Backend

- Node.js
- Express.js
- RESTful APIs
- Authentication

Frontend

- React/ Next.js
- Tailwind CSS

Database

- MySQL
- GraphQL
- MongoDB

Proficient with

- Git & Github
- Postman

PROJECTS

Tour Planner Web Application

MongoDB, Express.js, React, Node.js

- Developed a web application to help travelers plan their tours easily, utilizing React for the frontend and Node.js, Express, and MongoDB for the backend.
- Designed custom APIs for managing traveler data, including mapping and community features, with a focus on efficiency and user experience.

Real Estate Web Application

MongoDB, Express.js, React, Node.js

- Developed a real estate web application using MongoDB, Express.js, React, and Node.js (MERN). Integrated Google authentication for secure user login. The platform allows users to browse and filter property listings with a responsive front-end and robust back-end. Implemented RESTful APIs for data handling, with MongoDB storing listings and user data.

EDUCATION

Jan 2022 – Mar 2026

University of Sri Lanka Institute of Information Technology (SLIIT)

BSc (Hons) in Information Technology
specialising in Information Technology

2019

G. C. E. ADVANCED LEVEL EXAMINATION

Thurstan College Colombo 03

2015

G. C. E. ORDINARY LEVEL EXAMINATION

Thurstan College Colombo 03

PROFESSIONAL
EXPERIENCE

Intern UI/UX and frontend developer
Bank of Ceylon, Head Office | Nov 2024 – May 2025

- Contributed to digital transformation projects within the Product Development and Business Process Re-engineering department.
- Designed wireframes and interactive prototypes using Figma and developed user interfaces using React.
- Assisted in user acceptance testing (UAT) to ensure functionality and usability.

PROFESSIONAL
SKILLS

- Problem Solving & Analytical Thinking
 - Team Collaboration
 - Effective Communication
- Time Management
 - Adaptability & Learning Agility
